

BILL & COO SUITES | MYKONOS

Escape for some sun and step into the Bill & Coo way of life.

This stunning hotel, Bill & Coo Suites is situated on the glamorous island of Mykonos and is one of our favourite hotels on this list.

Beautifully decorated and with views guaranteed to take your breath away, Bill & Coo Suites take a luxury weekend away to a whole new level. Effortlessly and neutrally decorated, the suites scream elegance; choose from a suite with your own private hot tub, to your own private infinity pool.

With Mykonos town just a short walk away you can explore narrow streets, fresh seafood restaurants and small independent shops.

It may be slightly more pricey, but it's worth every penny, we promise. Bill & Coo Suites start from €270 per person per night in low season.
