

Bill & Coo Coast Suites

### **Bill & Coo Coast Suites, Mykonos**

Mykonos is Greece's answer to Ibiza. Celebrating its 10th anniversary, Bill & Coo is one of its must-book places to stay on the edge of Mykonos town. For those looking for something even more tranquil and romantic, this just-opened smaller, child-free outpost 3km away from Mykonos Town overlooks the pretty sweep of Agios Ioannis Bay with views out towards the Unesco World Heritage-listed island of Delos, said to be the birthplace of Apollo and Artemis. Small but perfectly formed, the hotel has 15 suites, some with hot tubs and private pools, plus all the hallmarks of Bill & Coos' original property by the same designers K-Studio, which is responsible for some of the island's hippest hangouts. The look is refined yet rustic with bleached wood and linen, which perfectly sets off the cobalt of the sea. There's also a private beach, bar and restaurant.
