

Dear guests welcome,

we created this wine list in Bill and Co as a combination of some of the best Greek and International wines.

Our Somm team tried hard to taste a lot of wines during winter to find the best hidden gems, new producers, cult winemakers, lovely made natural wines, rare vintages and of course some of the most famous wines around the world.

Greek wine has numerous of different indigenous varieties with huge versatility like Asyrtiko, Moschofilero, Vidiano, Xinomavro, Agiorgitiko, Mavrotragano and more that can have a different and complex story to tell. Trust our guys in a great journey around the uniqueness of the Greek vineyards.

If you are a classic drinker we have some of the most emblematic wines from Bordeaux, Burgundy, Tuscany, Piedmonte, Alcase, Champagne, Napa Valley for the mistis and wine lovers.

Our wine director has participated in several Somm contests, works in the drinking business since his teens, is a wine consultant in several gastronomic projects and he is Brand Ambassador for Riedel Glass Company so you have to be more than sure that you are going to enjoy your wine in some of the most beautiful and showcasing glassware.

In a lot of regions we try to keep some previous vintages for our wine lover visitors to make vertical tastings and wine dinners tailor made for you.

Enjoy, Salute, Γεία μας
